WARNING TO PARENTS.

The Milk Conference appointed by the district Commissioners, in view of the MANY DANGERS OF RAW MILK, has recommended the home-pasteurizing of all raw milk by bringing it to the boiling point, then withdraw, cool, and keep cold until used. The Conference has thereby endorsed the advice given by this Society for a num-ber of years to

SCALD ALL MILK

Parents are particularly warned against the erroneous opinion held by some that pasteurizing affects either the digestibility or the nutritive value of the milk, or that as a rule it will produce any bad effects whatsoever.
